TREASURER'S REPORT

Vic Andrews gave details of income & outgo for the month, Total Funds \$3,509.74.

EDITOR'S REPORT

The newsletter has been sent out by email, some still to be posted out.

SOCIAL SECRETARY'S REPORT

The boat trip on the Reliance 8.11.03 was enjoyed by a large group of members, and afterwards we had supper at Les & Roselee Johnson's house. Thanks extended to Les & Roselee for their hospitality. Colin reminded members that the Christmas Party was on 6/12/03. Accommodation was available for those wishing to stay over.

Wednesday Run – Vern Kelly advised the last Wednesday run for the year on 19/11/03 would incorporate a day out on Brian & Barbara Marshall's catamaran. It will be fully catered by them at a cost of \$15, with BYO Drinks. 9.30 a.m. departure from St Ives.

SPORTING REPORT

The Club Sporting Champion will be determined by count-back between Lindsay, Malcolm & Adrian. Next event will be 14/12/03 at Oran Park which will count in next year's championship. However, interest in sporting events is waning. The point score for Clubman is to be finalised shortly.

CLUB PLATE REGISTRAR'S REPORT

Roland advised that members continue to notify him of movements as per the rules.

There has been 1 new registration, and 1 continuation recently. Club plate rules may need to be revised, especially criteria for continuation on club plates.

GENERAL BUSINESS

Citizen Kane Award – voting conducted on articles published in the newsletter.

Pride of Ownership Day – discussion on eligibility for awards given for this event.

Moved by Chris Johnson that to be eligible for an award, owners of cars entered in the Pride of Ownership Day must have attended 3 events as listed in the club calendar.

Seconded by Stephanie Clark - CARRIED The club by-laws to be amended.

MEETING CLOSED: 8.45 p.m.

- John&Val Dixon are now classified as fully retired with Val handing her Resignation and taking up Golf Lessons along with Roselee & Joan Johnson. Chris and John are a bit cheesed off no morning tea and told to make their own sandwiches for lunch as the girls are planning a luncheon each time
- The Land Baron & Baroness have sold their estate on the Lower North Shore and have started to pack for a life on the Upper North Shore
- Les Johnson Xmas present came early yes the DBR2 has arrived in Sydney but Roselee has decided not for her..... not enough leg room, too hot, too noisy, no roof ... just to name a few
- Lorraine Walker our new Secretary has given Adrian the chance to work on cars while Lorraine has escaped to Asia. Adrian being left to his own devices (playing with cars) so both had a great time
- Peter Smart is offering his driving skills for a very small amount of cash but must be member of his family and must pay on a more regular basis, so if you require his skill it is on offer for very little reward
- Norm & Pam Johnson have taken off for a Holiday in the South Island of New Zealand. A well deserved Break after an extremely hard work load through January
- Tony Johnston has broken his arm, no not by Sandra, not a bar room incident, or alcohol related but just by falling over. Guess who turned up at the January meeting by themselves, yes the one arm man and Sandra
- Roland has been busy getting the Half Breed ready. The Club should have contest to name the car ASTUS or LEXTON or MATUS are just a few of the possibilities
- Country Bumpkins Ray & Margaret survived the cold now they have the heat to contend with. It is hard to believe that Ray is rounding up the cows in his E TYPE so Margaret can milk them

PRESIDENTS REPORT

I would like to welcome you to 2004, another year that the Thoroughbred Sports Car Club should enjoy. Colin has been busy working on the social scene and has a number of enthusiastic members willing to organize the social events. Unfortunately I missed the NRMA Australia day get-together this year, but from all accounts everyone had a good time. The upcoming run South in March has been well received by a small number of enthusiasts. It should be a good, fun event.

Lester has prepared a sporting calendar for those inclined to race etc.

I must give a heartfelt thanks to Peter and Sue, along with last years committee for the great job they did in their chosen capacity. I know committee positions require a lot of time and hope that I can give as much of mine in the following year. My lovely (flattery gets me everywhere) life assistant, Roselee, will be there once again helping me with this latest task.

Lastly, I would like to thank all those members who were so gracious with their thoughts and kindness after the recent passing of my Father who fought bravely for the last three years.

Les Johnson

SPORTING REPORT

By Lester Gough

Five or six Supersprint events have been included in the calendar for 2004 and where possible the event dates have been kept clear of social events.

One event has been held since the last edition of Top Gear on Sunday 14 December. The round scheduled for 29 November was not held. At the 14 December round held at Oran Park South, Adrian Walker came fourth in class 1D with a time of 60.4 seconds. Adrian's fastest lap was his last of 15 laps for the day. A couple of other TSCC members competed but were registered as members of the Jag club.

The next round will be at Oran Park South circuit on 29th February and will be the first opportunity in 2004 to put yourself in contention for the competition trophies. The next round after this will be on Sunday 16 May which is on the Oran Park GP circuit.

Any member wishing to compete, or just wishing to discuss competing or attending as a spectator should feel free to contact me on 0411 117 370 or 9799 3209.

WEEKEND AT TEMORA

The weekend away to Temora was a great success, thanks to the great organization of Roland and Stephanie.

Joan and I met at Peter and Sue's and traveled on down the freeway to Marulan with Vern, Wendy, Paul and Jan where we had a comfort stop and Peter was in great need of food, (well he hadn't eaten since Breakfast had he?), and so he tucked in to a huge mixed grill!!!

Onwards then towards Temora with a short break at Binalong to book accommodation for Sunday night, buy in gallons of wine in case we ran out, and have a beer or two before we all dehydrated. Roland and Stephanie joined us here. By this time the weather had warmed considerably and it was time to remove "tops" and feel the fresh air. The drive to Temora was very pretty and the countryside was green and lush. We were all staying at different motels so we split up to check in and agreed to meet for "happy hour". Dinner for the night was at The Terminus Hotel. The bistro food was good, plentiful and cheap. The beer was also cold, the wine plentiful and the company outstanding!

The following morning those of us that stayed at the Aromet Motel had BBQ breakfast by the pool. We were also joined by Vern and Wendy who walked up from town for their morning constitution. The motel owner Ian cooked a veritable feast and the weather was just perfect for eating outside.

We all met at the Air Museum at 1000 and had a good look around the exhibits before the flying display started. The museum is well laid out, and the exhibits and videos are well presented.

The flying display was excellent and at midday there was a race between the Spitfire and a most magnificent D Type Jaguar. The "drivers" of both really got the bit between the teeth and it was a thrilling display with the D Type winning easily. The rematch was organized for Sunday when the Spitfire won!

It was a great day, enjoyed by all, even though it was a little hot.

The evening dinner was arranged at the Bowling Club, and again it was good night out. Sunday breakfast at the Aromet was again a BBQ with our host full of his usual "bon ami" and cooking enough bacon and eggs to feed an army. The weather was not so good today and rain threatened with a cool strong wind blowing. Some ventured back to the airfield and others went for a drive around the countryside, taking in various sites, and more food ! The weather was very intermittent with a lot of heavy rain storms during the day, but the flying display went on.

We had arranged to meet Les and Roselee in Temora (who had joined us from their other rally) and went off for afternoon tea at the property of some good friends of Roland and Stephanie, Geoff and Barbara Last. Their property Sunnydale is a large working mixed farm with wheat, canola, cattle and fat lambs. Geoff and Barbara kindly drove us around the farm in various vehicles, the most notable of which was a fire truck (required for safety when burning the wheat stubble).

It must be stated here that the famous bullfighter "El Verno" was required to pit his skills against a ferocious bull that had escaped from it's paddock. Geoff had opened a gate to let the "bull" back to where it belonged and the fearless "El Verno" leapt from the fire truck and glared at the bull. The bull took one look at "El Verno" and decided that discretion was the

better part of valour and hot footed back into the paddock with “El Verno” hot on it’s heels!!
(Actually it was only a small calf but it’s a good yarn!)

After all the excitement it was back to the homestead for afternoon tea where Barbara had put on a splendid spread of scones and cake, and she was ably assisted by the lovely Stephanie. It was very good ,and brave, of them to have 20 TSCC members for tea. It was a memorable occasion. It was time to press on, some went back to Sydney, some of us stayed at Binalong. Again it was more food, more beer and wine and good company.

The following day, after a slow start, we had a look around the village of Binalong and then paid a visit to the Motor Museum there; not very big but well done and some very interesting exhibits.

Time to hit the road again and head for home and after a final comfort stop at Marulan we went our separate ways.

Thank you to Roland and Stephanie for arranging an excellent weekend, we all thoroughly enjoyed it. Thank you also to Geoff and Barbara Last for their kind hospitality.

Those attending were:

Roland and Stephanie

Colin and Maria

Paul and Jan

Chris and Joan

Peter and Sue

Ray and Margaret

Tony and Sandra

CHRISTMAS PARTY AND PRESENTATION

Our 2003 was a Xmas Party/Presentation Night that heralded some changes for members of the TSCC. No longer did we party and celebrate amongst the high rise apartments of Artarmon and breathe the fumes (amongst other things) from the Pacific Highway. We took ourselves to the 'quiet' bushland retreat of Oxford Falls and enjoyed ourselves amongst the trees and a Tennis complex in the relatively fresh air of the Northern Beaches.

After Pre-dinner drinks (some lucky enough to score rooms for the night at the complex had pre- pre- dinner drinks), we all moved under the wonderful canopy that included chandeliers and Fairy lights....quite a romantic ambience for those so inclined. A gastronomic experience and some added "liquid fuel" then proceeded to our outgoing President, Peter Smart then announcing the Trophy Winners for 2003. These were as follows:-

1. **Clubman Trophy** Roland and Stephanie Clark
2. **Castrol Trophy – Club sporting Trophy** Adrian Walker
3. **Citizen Kane Award** Colin Allerdice for his article "My First Trophy"
4. **Donald MacDonald Trophy**..... Vernon Kelly
5. **Pride of Ownership Awards:**

Car of the Year – Graham White – Maserati Khamzin

Best Presented Car Pre-1974 – Roland Clark – SS1

Runner –Up Les and Roselee Johnson – Jaguar E Type

Best Presented Car 1974 to date – Graham White – Maserati Khamzin

Runner-UpTerry Daly – Lotus Elise

Ladies Choice Award.....Roland Clark – SS1

Congratulations to all the winners for achieving these awards during 2003 and thank you to all those other members who also contributed and competed in the Club events during the year.

The incoming President Les Johnson thanked Peter Smart for all his work as President for 2003 and welcomed in the new Committee for 2004. These Committee members are as follows :-

President – Les Johnson

Vice President – Colin Allerdice

Treasurer – Vic Andrews

Secretary – Lorraine Walker

Competition Secretary – Lester Gough

Club Plates Register – Roland Clark

Club Shop – Val and John Dixon (with assistance from Sue and Peter Smart)

Editor – Lindsay Day

With the formalities over, the “serious” music began and some of our members really started to show their true form...who would have guessed we had so many potential John Travoltas, Elvis Presleys, frustrated Abba contestants, Chubby Checker ‘twisters’, and the Rock n’ Rollerswow!!!!

Hopefully there wasn’t too many hurried calls to the Physios and hasty reaching for the arthritis relief medication the next daybut maybe the liquid “pain relief “ consumed during the evening may have alleviated any of these sensations. Congratulations to the “moby –disc” man and his wonderful choice and variety of music for the night.....in my opinion the best to date.

To coin a phrase (it appeared) “ a great time was had by all” and we all look forward to more good times with a great group of people in 2004.

WEDNESDAY RUN – 19TH NOVEMBER 2003

“Thoroughbreds afloat” – trading horse-power for sail power! What a way to spend the last Wednesday run of the year.

Planned perfectly, from the weather, which was a glorious sunny spring day, to the parking machines at the marina being out of order especially for us. Vern and Wendy certainly took care of all the finite details on this occasion.

9 cars – 18 hearty thoroughbreds turned mariners for the day, met at St Ives showground and then proceeded in a (sort of) convoy to Church Point where coffee (and muffins for those who missed breakfast) was enjoyed at a coffee house on the waters edge. Then on to Bayview marina where we were welcomed aboard the “Overture” by our hosts Brian and Barbara Marshall and crew (their son Sam and his ship mate Chris).

A gentle start with 5 – 8 knot winds and on our way into Pittwater to enjoy the magical experience of sail. It wasn't too long before the bottled bubbles were released (the salt air does tend to play havoc with a thirst) and everyone settled back and relaxed into the spirit of the day. Our journey took us past Scotland Island and on towards Lion Island where the winds picked up and those riding forward really got a taste of the salt spray.

Lunchtime found us moored in a quiet bay and what a treat this turned out to be! A three course feast all prepared by Brian and Barbara comprising asparagus with hollandaise sauce, followed by roast beef, smoked salmon, a chicken, and a variety of other salads, topped off with the specialty of the house..... raspberry crème brulee. Not to be missed for quids!!!!

Up anchor for an exhilarating trip around Lion Island on our return journey to Bayview. Those up the front of the boat had the best fun, and only got a little wet.

In all a wonderful experience, thoroughly enjoyed by all. A very special thanks must go to Brian and Barbara for their hospitality and their generosity in making their beautiful boat available to us. Also a special mention to their crew, Sam and Chris, for their sailing skills, and for the rescue mission in saving Pam's hat when it flew overboard (without Pam). But they never did manage to reel in that red bucket!!

Again the Kellys excelled themselves in their selection for the Wednesday run. This outing capped off a really great year.
